He discusses all the big issues: writer's block; getting an idea; how to keep motivated; developing a platform; how to think about self-publishing; how to find a traditional publisher and what to do once you have one. Best of all, every piece of information in the book is written with the psychotherapy writer in mind.

O'Hanlon helps readers learn how to leverage their own strengths as mental health professionals, providing worksheets and advice about finding a topic and making it your own. He gives suggestions about how to use your own clinical skills to stay on target for writing deadlines, and he cuts through the excessive information about social media to explain exactly what is relevant to your writing project.

Any therapist who has given more than a passing thought to writing a book owes it to themselves to pick up this one.
