Sometimes it pays to get up early... For reasons he refuses to admit, bad boy Kane McCassey has a soft spot for women who need help. Those familiar with his reputation say that he doesn't take anything seriously. But his family knows the truth, and isn't surprised when Kane risks everything to save the woman who literally drops into his life. Nothing prepared Lizzie Barnes to handle the whirlwind of trouble that comes calling out of the blue. Desperate to save herself, she resorts to drastic measures...only to find she's traded one dangerous situation for another. They met by coincidence. Lizzie doesn't understand Kane's desire to help her, but she does trust him. With no other choice, she accepts his offer. When Kane discovers Lizzie isn't the only one in danger, he must find and confront the one who betrayed him, or lose everything he loves...including Lizzie.
