## **El oído absoluto (Spanish Edition)** Marcelo Cohen

Esta novela constituye el primer texto de la narrativa de Cohen que concentra varias cuestiones: exhibe un dispositivo metapoético que se volverá común más adelante y que aquí, especialmente va, por una parte, a expandir postulaciones teórico-críticas previas sobre las deficiencias del realismo y, por otra, a prefigurar los intercambios entre música y literatura, abordados luego en muchos artículos del autor. Ensambla líneas dispersas en textos anteriores (sociedades carcelarias, coercitivas; el discurso de la conciencia amenazada) para armar una nueva y definitiva constelación genérica con la que pasará a reconocerse un sello Cohen.
