He heard Marilyn, sounding farther away. "He says he doesn't want to play right now."

Sitting up, Alfred looked around in shock. "Who are you talking to?"

Marilyn grinned. "Just a little friend of yours. We met earlier, she was on her way out and I was on my way in, I think." She giggled. "Hmmm, in and out."

Alfred looked at her in confusion. "Marilyn, enough's enough. I don't understand what . . ."

His words faded as he watched Celia, his visitor from the escort agency on the night before, step around the corner and into the living room. She was wearing the same pleated skirt and sheer blouse as the night before, but this time there was obviously no bra. Her blond hair was also straightened or something and she wore no make-up. He watched her walk up next to Marilyn and understood why. She looked like a practical double of his innocent virginal student. He stared at the two of them and felt his pants grow instantly uncomfortable. "Girls, um," his voice cracked embarrassingly and the two girls chuckled. He frowned. "Look, girls, uh, Marilyn, I don't think this is wise."

She pouted, pushing her full lips out in a way that seemed more tantalizing than tantruming. "Oh, I think it's very wise, Professor. I think it's exactly what needs to happen." She smiled then and gave him a wink as she took Celia's hand and led the other girl around the table holding the precious museum-encased scroll to stand in front of him again. "Now, let's not waste any more time."

Alfred watched, frozen in his chair, as Marilyn turned to Celia and kissed her. They moved their bodies together and ran their hands along their curves as their mouths moved hungrily against each other. He watched Celia tease Marilyn's lips with her tongue and then, groaned as he watched Marilyn bite and tug at Celia's lower lip as her hand slipped under the girl's blouse.
