Women of the Old Testament Camille Fronk Olson

From the beginning, women have been at the very heart of God's plan. *Women of the Old Testament* focuses on twenty remarkable women representing different ages, economic circumstances, family status, and cultures. All of them had challenges, but each had a divine potential to contribute to the Lord's work. Bestselling author Camille Fronk Olson brings these women to life, going beyond the traditional scripture story to provide insights that are amazingly relevant today. Elspeth Young's exquisite, full-color illustrations also reveal something about each woman's life and the customs associated with her culture. A Points to Ponder section at the end of each chapter offers thoughtful questions to consider individually or in a discussion group.
