Andare per monasteri (Ritrovare L'Italia) (Italian Edition) Lucetta Scaraffia

Ancora oggi i monasteri – come secoli fa – ci regalano l'esperienza del silenzio, che sanno trasmettere anche solo con la conformazione degli spazi, con la scansione della giornata che si svolge secondo ritmi millenari.

Lungo la penisola, monasteri medievali, costruiti come fortezze, hanno difeso civiltà, accolto pellegrini, celebrato la grandezza di dinastie aristocratiche. Ci sono poi monasteri rinascimentali e barocchi, e anche edifici nuovi che testimoniano della recente rinascita monastica. Da Novalesa a Camaldoli, da La Verna a Subiaco e Praglia, da Rosano a Campello, a Grottaferrata: l'itinerario si snoda fra luoghi storici e luoghi recenti del monachesimo italiano, tutti animati da una vita spirituale autentica. Un richiamo forte, una atmosfera di raccoglimento e una promessa di elevazione interiore, capaci – come a Bose – di attrarre anche persone che non si riconoscono nella fede.
