Day into Night: A Haiku Journey Gunther Klinge

"This is a beautiful book for all seasons! Gunther Klinge illustrates that the difference between oriental and western mind is a myth and fantasy. His haiku never startle, never strain."

—Book News Previews

In this exquisite collection of haiku, accomplished haiku author Gunther Klinge takes us on a journey through the days and nights of each of the seasons, beginning with spring dawn and ending with winter midnight.

It is the human journey which Gunther Klinge so movingly depicts as it progresses through the eternal youthfulness of spring toward the richness of summer, and on through the ripening maturity of autumn in the deepening stillness of winter.

The universal appeal of these haiku and the contemplative comments which introduce and reiterate the mood of the seasons, bind us all together as we make our own journeys from day into night.
