Elsa Osorio

La Capitana (Nuevos Tiempos) (Spanish Edition) Elsa Osorio

Mika podría parecer un personaje de ficción, pero existió. De las aventuras de la Patagonia a los primeros tiempos de la República en Madrid; de los grupos clandestinos de oposición al estalinismo en Francia al convulsionado Berlín donde el nazismo crece peligrosamente, Mika vive junto a su marido Hippolyte la gran aventura intelectual e ideológica del siglo XX. Lo que buscan hace años está en España, en esa guerra que Mika hará suya al mando de una temeraria columna del POUM. Lo ignora todo sobre técnicas y estrategias militares, es extranjera, no está ligada a poder alguno y es mujer. Pero su carisma, su talento para comprender a los otros y tomar decisiones la vuelven indispensable. Son sus mismos milicianos quienes la eligen capitana. Perseguida por los fascistas como «una que manda entre los rojos», acusada por el feroz estalinismo de «desafecta a la República» y acosada por un siniestro agente de la GPU, el conmovedor relato de su vida extraordinaria deja sin aliento al lector. "La escritora Elsa Osorio reconstruye la asombrosa biografía de la argentina Mika Feldman, que dirigió una columna de milicianos durante la Guerra Civil". EL PAÍS
