I imagined her watching us. I don't know why it turned me on so much but it did. I wasn't into girls and I did my best to keep any image of her out of my brain. Perhaps it was the fact that I was so much younger than her and could fuck her husband with much more voracity than she could. The idea was satisfying and I kept grinding my creamy cunt into his pillow while the fantasy played out in my mind.

Suddenly I sat up and kicked my hips into over drive. I grabbed my tits and pinched my nipples while arching my back. Oh yes! I was so close to cumming! I couldn't wait! I couldn't wait for Todd to explode inside of me and fill my slutty pussy with his thick jizz. My mouth gaped and I lost all sense of reality as I urged my orgasm closer and closer. Their bed rocked and creaked with my massive thrusts.

Then I heard a soft groan from behind me. Why was it behind me? I was so lost in my fantasy I wasn't sure if it were in my mind or for real. Then I heard what sounded like a slurp and glanced over my shoulder as I was going into the home stretch. I froze and my cheeks burned red.

Todd was standing in the doorway of the bedroom and Jessica was kneeling before him, swallowing his cock like a whore. The look in his eyes would have melted me had I not been so fear-stricken that I couldn't react one way or another. In fact, the look in Jessica's eyes was just as lust-filled as her husband's. I couldn't believe they were watching me and they were both naked. I moved to cover myself but Jessica stopped me. "Please don't," she begged after pulling her husband's cock from her mouth. I watched as a long string of drool wavered between the tip of his cockhead and her pouting lips. "Don't stop, sweetie. We want to watch you cum."

FFM threesome, masturbation, lesbian sex, bisexual, caught masturbating, watching a stranger have sex, three-way sex
