As a Gentleman Would Say: Responses to Life's Important (and Sometimes Awkward) Situations John Bridges, Bryan Curtis

On any given day, a man is faced with situations that demand a response. He runs into a friend who was recently fired . . . His date can't seem to pry herself away from a texting conversation during dinner . . . Someone at his gym routinely monopolizes the equipment . . . He finds himself in a nearly unintelligible conversation with a client who has a thick foreign accent. In each of these scenarios, there are distinct responses that can determine the outcome—for better or worse.

Knowing what to say is essential, because regardless of how many doors he opens or how often he remembers to bring a bottle of wine for the hostess, a gentleman's reputation is often established on his ability to communicate. In this updated version of *As a Gentleman Would Say*, John Bridges and Bryan Curtis offer simple reminders and new ideas for any man who is eager to navigate the obstacle course of his own words.
