## Irish Migrants in New Communities: Seeking the Fair Land?

*Irish migrants in new communities: Seeking the Fair Land?* comprises the second collection of essays by these editors exploring fresh aspects and perspectives on the subject of the Irish diaspora. This volume, edited by Máirtín Ó Catháin and Mícheál Ó hAodha, develops many of the oral history themes of the first book and concentrates more on issues surrounding the adaptation of migrants to new or host environments and cultures. These new places often have a jarring effect, as well as a welcoming air, and the Irish bring their own interpretations, hostilities, and suspicions, all of which are explored in a fascinating and original number of new perspectives.
