Those skills will take you far both professionally and person. You can get this ebook and get started on the path of effective leadership today. Great leaders with management experience have better chances of getting promotions than people with no leadership experience. This short read is perfect for new college graduates, new managers, new project managers, or anyone interested in becoming a great leader.

Here is what a real leader shouldn't miss:

- Did you know that there's a difference in feelings when you compare someone who sits across a giant desk from you and someone who sits on the side of your desk? It's true! You'll learn how to make your team members feel heard and like they are an integral part of the project.
- You'll also learn about active listening. Great leaders know how to really listen to people. Keeping an open line of communication is crucial for each and every team project.
- Have you ever wondered how to motivate and inspire your team? We'll discuss the basics of celebrating achievements of the individuals on your team and the achievements of your team as a whole. Celebrating achievements, even if they are small, builds morale and inspires loyalty.
- You'll also learn about things you can do to inspire your team members. We've all had that one really bad leader that makes us dread ever being part of a team again. This ebook will help you avoid being a leader that no one likes or wants to work with on a project.
