New pattern Class 10 Board + PMT/ IIT-JEE Foundation PHYSICS 3rd edition Disha Experts

A strong foundation is what sets apart winners from the losers. Most of the competitive exams are designed to test the aptitude, comprehension or the analytical abilities of students. The basic difference between boards and Competitive Exams is that where the Boards are focussed on the knowledge & understanding of a subject the Competitive Exams are focussed on the Application and Analysis of the subject. Disha's "New pattern Class 10 Board + PMT/ IIT-JEE Foundation PHYSICS 3rd edition" is designed with a balance between the two. The book will act as a bridge between Boards and Competitions. The book deals with the concept in detail discussing all important aspects of the topic. The theory is empowered with the inclusion of: (1) Check Points (2) Do you Know? (3) Illustrations (4) Miscellaneous Solved Examples (5) Idea Box (6) Knowledge Enhancer. Another powerful aspect of the book is its exercises.
