Reflections on the Religious, the Ethical, and the Political Calvin O. Schrag

Reflections on the Religious, the Ethical, and the Political presents fourteen essays devoted to the interconnected topics of religion, ethics, and politics, along with an introductory interview with the author regarding his philosophical development over the years. This volume serves two interconnected purposes: as an introduction or reintroduction to Calvin O.Schrag's intellectual contributions to a critical consideration of these three topics, and as a critical companion and supplement to Schrag's published work on these topics. The topics of religion, ethics, and politics have served as pivot points throughout Schrag's career in the academy, which spans half a century.
