Faith Legacy offers parents a purposeful tool they can use to nurture their children and release them into adulthood with biblical values firmly in place. Jim and Jerolyn Bogear present six biblical values that parents need to teach their children, including a biblical character who exemplifies each value, ideas for modeling the value, and suggestions for teaching the value to your children. It also provides ideas and tools for planning a legacy trip or time with a child to celebrate the child's character and reinforce the values they have learned.

This resource is for leaders in the trenches--those who:

see parents disengaging from their children's spiritual development,  
see too many students leave for college and drop out of church, or  
are frustrated with programmed ministries that fail to produce results.

Based on solid research, this field guide unpacks how real-life churches can narrow the gap between present reality and the biblical ideal of faith-nurturing families.
