## Glaucoma Surgery

Filling a gap in the literature, Glaucoma Surgery illustrates a wide range of procedures for the treatment of glaucoma and the management of surgical complications, providing clear recommendations from seasoned experts in the field. This is the first ophthalmologic textbook to include a DVD showcasing the various surgical procedures to treat glaucoma and related complications. With contributions from international authorities, this guide provides step-by-step direction on modern surgical techniques, detailed coverage of methods for managing surgical complications, and reader-friendly explanations suitable for both budding and experienced glaucoma surgeons.
