Israel's Strategic Agenda

Israel's Strategic Agenda

Divided into two clear parts, the first part of this book examines political and economic factors in the global strategic environment including, the approach of US and EU foreign policies towards Israel, global trends in the field of defence industries and the energy sector and their implications for the Middle East and Israel.

The second part focuses on Israel's strategic agenda as reflected in its military force design and doctrine, the dilemmas the country has faced in the course of fighting its wars of attrition, the relations between military and civil sectors in Israel, the struggle against Israel on the part of non-governmental organizations, Israel's main security challenges and national grand strategy.

This book was previously published as a special issue of *Israel Affairs*.
