The Protestant-Jewish Conundrum: Studies in Contemporary Jewry, Volume XXIV

The Protestant-Jewish Conundrum: Studies in Contemporary Jewry, Volume XXIV

Volume XXIV of the distinguished annual Studies in Contemporary Jewry explores relations between Jews and Protestants in modern times. Far from monolithic, Protestantism has innumerable groupings within it, from the loosely organized Religious Society of Friends to the conservative Evangelicals of the Bible Belt, all of which hold a range of views on theology, social problems, and politics. These views are played out in differing attitudes and relationships between Protestant churches and Jews, Judaism, and the state of Israel.

In this volume, established scholars from a variety of disciplines investigate the "Protestant-Jewish conundrum." They provide analysis of the historical framework in which Protestant ideas toward Jews and Judaism were formed from the 16th century onward. Contributors also delve into diverse topics ranging from the attitudes of the Evangelical movement toward Jews and Israel, to Protestant reactions to Mel Gibson's blockbuster film, "The Passion of the Christ." They also address German Protestant behavior during and after the Nazi era and mainstream Protestant attitudes toward the Israeli-Arab conflict. Taken as a whole, this compendium presents discussions and questions central to the ongoing development of Jewish-Protestant relations.
