But when the mysterious Samantha Wyatt moves into the adjoining penthouse, he's immediately drawn to her, a striking, elusive woman who transitions seamlessly from wood-paneled board rooms to high-stakes, high-risk rescue operations in the most dangerous parts of the world.

Intrigued by her self-possession, aroused by her incredible passion, and disarmed by a vulnerability she cannot hide, Jack pursues Samantha into the nexus of her dangerous present and her enigmatic past. Interview with the Author:

Q: So, what prompted you to write the *Complicated Creatures* series?

A: It's simple, really. I'm a huge fan of romance, romantic suspense and action thrillers, and I felt there was something really missing in combining these genres. I also wanted to write really powerful female leads who, while impressive, are incredibly relatable, smart, self-reliant and gutsy.

Q: Who or what inspired the lead character, Samantha Wyatt?

A: Honestly, I just took what I liked most about the male leads in some of my favorite stories and turned the whole thing on its head. I started thinking, "What if James Bond or Jack Reacher were a woman? What if she was the head of a multinational corporation? What if she led a team of commandos--what would that be like?"

As I considered all the possibilities, Samantha became much clearer in my mind. I saw a woman with true grit, style and the kind of savvy we admire but rarely see in female characters in romance or action/thrillers.

And it makes for an intriguing question--*what kind of man can get a woman like that? And would she even let him?*

Q: Does your series have an intended audience?

A: Sure. YOU. This series starts out as romantic suspense-driven, but it's definitely got plenty of action, thrills and a tantalizing bit of mystery. It's written from both a woman and a man's perspective, and features a really fantastic supporting cast of characters with their own unique points-of-view and personalities. Reviews have been coming in from both men and women. So I'd say anyone who loves *Damn Good Fiction* will enjoy this series.

Q: When is the next installment coming out?

A: *Part Two: Hell or High Water* is already out and available. The prequel to the series, *Goddess Rising*, should be available in about a month on Kindle Scout and the final installment for the series is targeted for Fall 2015.
