Open your mind and heart, lift your voice, and discover how the sacred art of chant can enrich your spiritual life.

Chanting with an intention to open our hearts and minds to the presence of God in us helps us to be quiet in the face of mystery and learn how to hear what it has to say to us.... Chanting is holistic. It will transform you, you will embody the change, and people will notice the new, more grounded you. More important, though, you will notice the new, more grounded you.

—from the Introduction
