## **The Unraveling of the Bush Presidency** Howard Zinn

Here, in the magisterial yet plain-spoken style of *A People's History of the United States*, is historian Howard Zinn's long-awaited telling of these last six years of United States history, a time when catastrophic machinations of war have dictated our foreign and domestic policy, and when voices of resistance have appeared in the unlikeliest places.

Perhaps more than any other American, Howard Zinn has helped us understand ourselves by deepening our understanding of our own history.
