Why Are You Here?: A Primer for State Legislators and Citizens is a challenge to America's 7,382 state legislators and their constituents to critically examine their state legislature and take appropriate action to improve it. This is a handbook telling how legislatures came to be, how they function, and discussing how they have fallen in public esteem. The book provides an analytical discussion for evaluating how any legislature deals with four issues: personal greed, criminal and ethical scandal, the influence of money and lobbying, and self-serving legislative seat apportionment. The last section is a "Legislative Toolbox" that provides information helpful in evaluating legislatures and readings of a patriotic nature that enhance idealism and spirit.
