CT o la cultura de la transición: Crítica a 35 años de cultura española (Spanish Edition)

VV. AA.

CT o la cultura de la transición: Crítica a 35 años de cultura española (Spanish Edition) VV. AA. Coincidiendo con el aniversario de los movimientos asamblearios que desde el 15 de mayo de 2011 se propagaron por toda la geografía española y universal, varios de sus miembros más activos, escritores, críticos y periodistas que fueron partícipes o los siguieron con interés, se reúnen para reflexionar, a la luz de los nuevos acontecimientos, sobre un posible final de la CT, Cultura de la Transición. El término, acuñado por el periodista Guillem Martínez, alude a la cultura española posterior al franquismo, una cultura consensuada y vertical que ha actuado, desde los años ochenta, como el paradigma cultural unificador de conciencias políticas y sociales. Como el único marco posible de realidad durante décadas.
