Rediscovering the Ministry of Blessing Russ Parker

The Bible teaches us', Russ Parker writes, 'that blessing is a unique ministry resource gifted to believers to effect the purposes of God in peoples' lives.' In this enthralling book, the author tells of situations of family estrangement, depression and chronic illness; of times of hopelessness and helplessness where miraculous transformation has been wrought through calling on God to bless someone with the richest blessing they are able to receive. As he has travelled the country teaching on the ministry of blessing, Russ has seen an enthusiastic response and uptake, especially amongst those involved in prayer ministry. He believes it is time for all who want to be part of God's renewal - both in church and through reaching out to the wider community - to consider how we might help others to flourish as the people God has called them to be. 'Russ Parker's ground breaking work on healing community history will be so helpful to churches. It has greatly helped me.' The Rt Revd Graeme Dow, former Bishop of Carlisle
