Simply English: An A-Z of Avoidable Errors

Simon Heffer

Simply English: An A-Z of Avoidable Errors Simon Heffer
In his best-selling *Strictly English* Simon Heffer explained how to write and speak our language well. In *Simply English* he offers an entertaining and supremely useful A–Z guide to frequent errors, common misunderstandings and stylistic howlers. What is the difference between *amend* and *emend*, between *imply* and *infer*, and between *uninterested* and *disinterested*? When should one put *owing to* rather than *due to?* Why should the temptation to write *actually*, *basically* or *at this moment in time* always be strenuously resisted? How does one use an apostrophe correctly, ensure that one understands what *alibi* really means, and avoid the perils of the double negative?

With articles on everything from punctuation to tabloid English to adverbs and adjectives*, Simply English* is the essential companion for anyone who cares about the language and wants to use it correctly.
