If you have found yourself alone, abused, neglected and unwanted. And have contemplated ending your life on so many occasions. Then *When Life Happens*, will help you restore your soul, and your faith; if not in humanity, than in yourself.

Follow the life of a childless and homeless woman, who spent her life caring for others, loving others; while others did nothing for her.

Being invisible and unacknowledged. She maintained her optimism, and hoped for the best. Kept herself sane, as much as she could, in the hopes that one day, the most important part of her would be restored; her children.
