A Student's Guide to Economics (ISI Guides to the Major Disciplines) Paul Heyne

Paul Heyne, one of the nation's best-selling economists, provides an accessible overview of the discipline of economics. Economic knowledge, he contends, is not complete without reference to the totality of human society—a realization essential to a proper understanding of the fundamental principles of economics. The sweep of economic thinking is presented here with reference to the great economists and important schools of thought.
