## Encyclopedia of Race and Crime

*"The organization of the reader's guide—especially the groupings of landmark cases, race riots, and criminology theories—is impressive ... Other related titles lack the breadth, detail, and accessibility of this work ... Recommended for all libraries; essential for comprehensive social studies collections."*

—Library Journal

The **Encyclopedia of Race and Crime** covers issues in both historical and contemporary context, with information on race and ethnicity and their impact on crime and the administration of justice.
