Ever since V's mom dumped her with her grandparents, she's bounced from guy to guy. That is, until a fateful hockey puck lands her in the lap of Sam Almond, who is different from the start. But V makes an irreversible mistake at her graduation party and risks losing Sam forever, spurring her on a crosscountry road trip to visit her mom in hopes of putting two thousand miles between herself, Sam, and the wreckage of that night. With humor and compassion, Carolyn Mackler takes readers on an unforgettable ride of missed exits, misadventures, and the kind of epiphanies that come only when you're on a route you've never taken before.
