The New Lao Tzu Ray Grigg

A new interpretation of the Tao Te Ching, this book is a celebration of the Way of Harmony and Balance. *Ray Grigg* transforms what has been traditionally called the Tao Te Ching, what he calls the Lao Tzu, from the mysterious to the meaningful. He accomplishes this by abandoning the historical convention of a literal reading of the Chinese texts. The result is a poetic expression of ancient wisdom in a language that readers can approach directly. The wisdom of the Lao Tzu rests in its ability to tease confusion into insight that is beyond the confinement of intellectual understanding. Beautifully illustrated with ink drawings by Bill Gaetz, *The New Lao Tzu* demonstrates that living the wisdom of the Lao Tzu requires more instinct than reason, more intuition than argument.
