Whether your heart is burdened or bursting with joy, nothing satisfies quite like talking things over with another woman. Regardless of the paths our lives take, all women are "sisters"-we speak a common language; we share a universal bond. Because the hopes and dreams that both burden and give flight to a woman's heart dwell within all of us, we create relationships that are intensely rich, precious and prized. Thus, we comfort and encourage each other; we help each other through life's ups and downs; we know each other's experiences as if they were our own; we are a blessing to each other. As this book of beautiful, inspirational life lessons reveals, sharing the experiences of our lives imbues us with a wisdom the soul reveres: Nothing happens without God's permission.
