A History of War Resistance in America

James M. Volo

A History of War Resistance in America James M. Volo

From the Colonial period on, war has inevitably divided U.S. society into pro-war and antiwar factions, and few subjects have proven so polarizing or long-lasting as a nexus of public discourse. In the contest over war and peace, uninformed beliefs have been conflated with uncontested truths by both sides, fueling a lack of bipartisanship in foreign policy that has been prevalent since the nation's earliest days.

A History of War Resistance in America delineates clearly the tradition of war opposition in the United States. It examines the military, preparations for war, and war's justifiable prosecution, as well as pacifism, legitimate resistance to war, and the appropriate and free exercise of civil liberties. This thought-provoking volume offers an analysis of the reasons for conflict among peoples, the prosecution of war among nations, and the development of war resistance movements. It also explores the role of the media in forming public opinion and that of the courts in protecting—or limiting—civil liberties.

From reader reviews:

Veronica Shriner:

What do you think about book? It is just for students since they're still students or the item for all people in the world, what best subject for that? Only you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great and important the book A History of War Resistance in America. All type of book is it possible to see on many solutions. You can look for the internet resources or other social media.

Maria Swensen:

This A History of War Resistance in America usually are reliable for you who want to be considered a successful person, why. The main reason of this A History of War Resistance in America can be one of many great books you must have is giving you more than just simple reading through food but feed anyone with information that maybe will shock your before knowledge. This book is definitely handy, you can bring it everywhere you go and whenever your conditions at e-book and printed kinds. Beside that this A History of War Resistance in America forcing you to have an enormous of experience for instance rich vocabulary, giving you trial of critical thinking that we know it useful in your day task. So , let's have it and enjoy reading.

Josephine Weeks:

Reading a reserve tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire their reader with their story or their experience. Not only the story that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their skill in writing, they also doing some investigation before they write to the book. One of them is this A History of War Resistance in America.

Lorraine Michael:

As a student exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this A History of War Resistance in America can make you sense more interested to read.
