Falling Free: A Falling Fast Novel Tina Waincott

The bestselling author of *Falling Hard* (“An addicting read!”—Jen McLaughlin) returns to the racing hotspot of Chambliss, Florida, where the only thing faster than the cars on the track is the surge of chemistry in the stands.

Ever since she was a teenager, Grace Parnell has had one ambition: to prove her father’s innocence and overturn his prison sentence. That drive led her to become a tough, compassionate lawyer—until the case hits a heartbreaking end. Now Grace is adrift, with no idea how to rebuild her life. It’s certainly not the time to fall in love. But from the moment she meets Artemis Tanner, their instant connection is undeniable.

A motor-sports pioneer, Tanner has come to this little coastal town for the racetrack—but he’s staying for Grace. Even though the standoffish attorney seems determined to stay out of reach, Tanner doesn’t need a law degree to tell that their attraction is very, very mutual. As her visits to the track become more frequent, and as Tanner learns more about Grace’s troubled family, he starts to pry open the tiny cracks in her controlled demeanor. Hidden beneath, there’s an incredible passion waiting to be set free.
