Passion to Dance: The National Ballet of Canada

James Neufeld

Passion to Dance: The National Ballet of Canada James Neufeld

This is the story of the National Ballet of Canada – the people, the determination, and how at sixty it is still creating new work while still representing the classics.

Passion to Dance is the story of the National Ballet of Canada – the people who dreamt the company into existence, the determination needed to keep it afloat, the bumps on the road to its success, and above all, its passion for dance as a living, evolving art form.

From catch-as-catch-can beginnings – borrowed quarters, tiny stages, enormous dreams the National Ballet has emerged as one of North America’s foremost dance troupes. The company at sixty is a company of its time, engaged in creating challenging new work, yet committed to maintaining the classics of the past, favourites like *Swan Lake*, *The Nutcracker*, and *The Sleeping Beauty*.

One hundred and fifty photographs from the company’s archives illustrate this definitive history, filled with eyewitness accounts, backstage glimpses, and fascinating detail. This is a record of one of Canada’s boldest cultural experiments, a book to enjoy now and keep forever.
