Signs and Wonders Roger Pickney

In this collection of essays, master storyteller Roger Pinckney paints a vivid portrait of his lowcountry South Carolina birthplace and his present home on Daufuskie Island. In a distinctive literary voice with keen sensitivity to current environmental and social issues, Pinckney chronicles a rural community life that is threatened by modern-day intrusions and resort developments. The stories are filled with the sweet smells of the sea and the salt marsh, and with the sights of sunset skies and wide open spaces. Peopled with hunters and fishermen, family and friends, and fellow islanders with their own stories to tell, this book is a poignant rendering of the emotional, social, and physical geography of a very special place and the struggle to preserve it.
