Warrior of the Spirit Elizabeth Urabe

Life is a journey of the evolution of the spirit. At some point in the course of each person's life, something will happen that will bring about a 180 degree shift in the way he or she perceives reality. When this shift takes place, we begin to remember that the answers lie within us. We begin to take back our true power. We begin to remember that our purpose is to love. We begin to remember Who we really are.

The pictures in this book are a powerful catalyst for the kind of very real spiritual awakening that can transform our lives. They are mirrors in which we see the reflection of our soul. The energies they embody are alive, conscious, vibrating. You can actually form a relationship with any one of the pictures and use it to assist you in your own processes of healing and of growth. I not only invite you to do so, I beg you to do so. Our world is in desperate need of individuals courageous enough to take on the challenge of awakening completely.
