Early Candlelight

Maude Lovelace

Early Candlelight Maude Lovelace

This historical novel set at Old Fort Snelling in the 1830s is a rich and romantic re-creation of the early settlement period in Minnesota's history. Maud Hart Lovelace's careful research into the documents of the Historical Society, combined with her knowledge of the actual setting, enabled her to write a story that conveys a sense of time and place both accurate and compelling for young adults as well as general readers.
