Beauty is in the eye of the beholder in this unusual love story

Little Little La Belle isn't redundant. She's a dwarf—a beautiful blond heiress who lives a pampered existence in the New York town named after her family. With her eighteenth birthday approaching, her parents want to marry Little Little off to the perfect man.

Enter Sydney Cinnamon. Orphaned young, he went on to become one of America's most famous dwarfs. The pint-size TV performer could have his pick of any diminutive lady. But with Little Little, it's love at first sight. With the entire town pulling out all the stops for her birthday bash—and more than one hot guy competing for her attention—Little Little is determined to make up her own mind about what she wants out of life and love.

An uncommon tale about being different, *Little Little* proves that it's not how tall you are; it's the size of your heart that counts.

This ebook features an illustrated personal history of M. E. Kerr including rare images from the author's collection.
