This election season promises to be among the most contentious ever. In addition to a presidential campaign featuring no incumbents, this election will turn on a handful of pivotal issues presently confronting American voters, the consequences of which likely will influence the direction of our nation for decades to come. Each of the major issues that is likely to form the basis of the national debate in this election season is explained here in a style that is easy to access and understand. This anthology of present-day issues will fortify you with the biblical perspective on which to base your decisions. With the Bible as the ultimate source of answers, you can be sure that your decisions will be grounded in faithful stewardship and godly obedience.

This book is not about being a Republican or Democrat; it's not about endorsing candidates or telling you how to cast your vote. It simply provides a biblical foundation upon which to make voting decisions that will both honor God and best serve our country in 2008 and beyond.
