**Full of incredible turns of events including secrets, deceits, lies and betrayals, the history of the Knights Templar from their triumphant conquests to their abrupt fall still fascinates. Find out the hidden history of the Knights Templar that really lead to their demise.**

The Knights Templar existed officially for less than 200 years. Founded to protect pilgrims who were travelling through the Holy Lands, their rise to power was sudden. They became some of the most feared warriors in the region, they had a mandate from God, they controlled perhaps the world's first real banking system, and they waged war against anyone who tried to wrestle Christianity's holiest grounds from the control of the Catholic Church. Within their short lifespan, they quickly became one of the most powerful societies in Europe, if not the world.

But, just as they rose to power with relative speed, they fell from grace just as fast. Forged in the crucible of Middle Eastern conflict, their power was soon resented and feared. Before they could become even more powerful, the greatest nations in Europe and the Church turned on them. The once powerful Templars were hunted, caught, tortured, and eventually burned at the stake. According to their prosecutors, they were a devil-worshipping secret society who spat on the cross and plotted against the Pope. They were officially disbanded and their members treated with extreme contempt and prejudice.

Or so goes the official story. In this book, we will not only look into the official history of the Knights Templar, but will examine the various ways their influence and ideas have tunneled their way into the modern world. A group this powerful does not vanish overnight. Instead, their history has been linked to the Freemasons, to vicious curses, to the butchery of the Crusades, and even to Christian relics such as the Holy Grail. For many people, the Templars did not vanish and they did not relinquish their tight grip on the power structures of mediaeval Europe. Instead, they went underground. Read on to discover the dark and twisted secret history of the Knights Templar.
