The Making of a Princess Teresa Carpenter

"For the first time man and soldier are at odds as desire wars with duty..."

Sworn to serve the royal family of Pasadonia, dedicated soldier Xavier LeDuc has never had any trouble putting duty before desire—until he encounters redheaded beauty Amanda Carn. She's sweet, seductive and all too familiar looking. Could she be the King of Pasadonia's long-lost daughter? Surely things like that only happen in fairy tales....

If she's proved to be royalty then Xavier will have to keep his distance, but he's been bound by royal command to protect Amanda until the truth is discovered. Keeping Amanda safe is his new mission—and where could be safer than in his own arms?
