The Songs Of My Grandfather is a collection of romantic songs of love, humor and heartbreak written in the later years of the life of Isauro Mendoza Nava and presented in this book as poetry. The songs were written in Spanish and have been translated into English. Introducing poetry and lyrics by Aurora N. Mendoza and A. I. Andre.

In 2000, my grandfather died after a brief but intense struggle with Alzheimer's. Through odd circumstances I discovered he had written a surprising collection of songs. Written in the later years of his life accompanied by his guitar, he cataloged his work with the intent to share it before his mind wandered off. This book, The Songs Of My Grandfather, brings these songs together as poetry to pay tribute to the man of his time that he was. The songs are presented in Spanish with an accompanying translation to English.

I told her the dream and I sang the song... Then she mentioned my grandfather's songs. "His songs?" I asked. "Yes, he wrote many songs," she said. At that moment I knew that the message was for me too. My grandfather wanted me to share his songs! My grandmother agreed and that is why I created this book. It fulfills what I believe to be what my grandfather wanted.
