**El sexto sol (Spanish Edition)** José Luis Murra

**Una impactante novela de acción que recrea la legendaria civilización maya**

**21 de diciembre de 2012.** La fecha de nacimiento del Sexto Sol, de acuerdo con las profecías mayas, es el punto de partida de esta impactante novela de acción y suspenso que recrea la legendaria civilización maya, desde sus orígenes en el continente perdido de la Atlántida, y su milenario conocimiento que sobrevive a través de ritos y tradiciones chamánicas.

De la mano del autor, conocemos a un grupo de científicos de la NASA que enfrenta el inminente colapso climático global que amenaza con socavar los cimientos de nuestra sociedad. En este escenario, que refleja la realidad actual, este grupo de exploradores enfrentará el conflicto existente entre un mundo centrado exclusivamente en el dominio político y económico y un mundo que lucha por restablecer el equilibrio con su entorno natural para encontrar el camino hacia el desarrollo de la conciencia individual y colectiva.

J.L. Murra presenta una visión realista y crítica acerca de los grandes problemas de nuestro tiempo (el calentamiento global, la devastación ecológica, la crisis financiera internacional, los desastres naturales, las epidemias biológicas). Asimismo, muestra el camino de los sueños lúcidos, los viajes de conciencia y la comprensión del carácter sagrado de nuestro Sol, supremo sustentador y regulador de vida.
