## **Letra de médico (Spanish Edition)** Carlos Presman

¿Cómo nos enfermamos? ¿Por qué nos enfermamos? ¿Para qué nos enfermamos? Estas preguntas atraviesan cada uno de los textos de este libro y para responderlas Carlos Presman apela a la ciencia, pero también a la literatura y a su propia biografía. Cuando confiesa que depositó su tesis doctoral como una ofrenda sobre la tumba de su padre, nos está haciendo partícipes de un legado: la medicina es el arte de cuidar. Presman nos recuerda que cada consulta, más que una historia clínica, es una novela personal y única; que las crisis enferman tanto como los virus y las bacterias; que un abrazo puede ser el mejor de los calmantes.
