Promise for Tomorrow (A Part of Tomorrow) Liz Kreger

Rianna and Jhaan fight to bring a promise of hope to a world on the edge of extinction.

A Part of Tomorrow book 2.

Jhaan san deCain has only a few days left to find his psi-mate or lose his place as heir to the throne of Dakar. Rescuing Zarian princess Rianna Chartier from an assassination attempt was supposed to be a temporary deviation from his quest. But the moment he lays eyes on Rianna, he realizes he is looking at his salvation. The beautiful alien is his perfect psychic match.

He is driven to wed her quickly, even if it is without her knowledge or consent. For without a psi-mate, he will not only lose the throne, he will be doomed to a life of sexual dormancy. And his people will be pushed closer to the edge of extinction.

Rianna cannot deny her attraction to Jhaan, but she is already betrothed to a Turnisian prince in a politically advantageous match. Dakarians are respected, even feared, for their formidable psychic power, but she is forced to rely on Jhaan's charity to escort her safely to Turnis.

Rianna is outraged to discover Jhaan has tricked her into marriage. But his deception proves minor when they discover that someone will stop at nothing to see her dead.

Warning:

This title contains sensual love scenes.
