Can she find the courage to love all over again?

Hunter Smith likes to keep out of messy situations; life is just easier if you don't get emotionally involved. He's never been a knight in shining armor before—but when he sees Abby Gray in trouble, he can't stop himself from stepping in...

Trying to put the scars of the past behind her, Abby has decided to make a fresh start. Hunter's offer of making her his new assistant could be a step in just the right direction. But is she ready to believe that happy-ever-afters can happen in real life—not just in fairy tales?
