In a city run by Vampires, there's one person standing between order and anarchy -- The Enforcer.

In the lawless wastelands inhabited by the dregs of a decadent civilization, the demoness, Zwi, keeps the peace. She's just as hard as any of them, just as desperate to survive, and even more willing to fight for the little slice of heaven that came from a vial or between the sheets.

Where criminals reign, she has to be the biggest thug of them all to maintain even a modicum of control.

A series made to be read through KU.
