Uncertain Ground

Carolyn Osborn

Uncertain Ground Carolyn Osborn

Set in 1953, this novel follows 21-year-old Celia Henderson during a month of uncertainty in her life. Visiting Galveston, Texas, a barrier island with its own history of instability and survival, Celia faces a series of conflicts—between a lawless Galveston and a hypocritical, “moral” mainland; between the Old South and the Old West; and between homosexuals and those prejudiced against them. Celia, who narrates her story 30 years after the fact, must also cope with a sexual double standard inherent in her attraction to an unhappy law student. As she interacts with her irrepressible cowboy cousin Emmett Chandler and a Mexican American artist, Louis Platon, Celia grows to accept her own fears and understand others and life's continual uncertainties. While Celia personifies the innocence of the 1950s—seldom as innocent as portrayed—this tale offers an inside look at continual social problems in the U.S.

From reader reviews:

Herman Nelson:

Have you spare time for a day? What do you do when you have far more or little spare time? That's why, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a move, shopping, or went to the actual Mall. How about open or read a book allowed Uncertain Ground? Maybe it is being best activity for you. You already know beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with its opinion or you have additional opinion?

George Harvey:

Book is to be different for every grade. Book for children until finally adult are different content. To be sure that book is very important for all of us. The book Uncertain Ground was making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The reserve Uncertain Ground is not only giving you a lot more new information but also to become your friend when you feel bored. You can spend your spend time to read your publication. Try to make relationship using the book Uncertain Ground. You never really feel lose out for everything should you read some books.

Samuel Rascon:

Why? Because this Uncertain Ground is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking technique. So , still want to delay having that book? If I were you I will go to the guide store hurriedly.

Mary Bunnell:

Is it an individual who having spare time after that spend it whole day simply by watching television programs or just lying down on the bed? Do you need something totally new? This Uncertain Ground can be the response, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?
