French Military Rule in Morocco: Colonialism and its Consequences (History and Society in the Islamic World) Moshe Gershovich

This analysis of French colonial ideology and interest in Morocco delineates the manner in which the agents of the protectorate regime sought to conquer the country and control its indigenous inhabitants. Numerous comparative perspectives are offered, placing the French policy towards Morocco in a wider context, making this study relevant to not only North Africa, but also to other parts of the post-colonial world.
