Boomerang (Part One: Chapters 1 - 19) (A Boomerang Novel) Noelle August

This is Part 1 of 3 (chapters 1-19). It is not the whole book.

You can purchase the first two parts of *Boomerang* ahead of the release of the full-length e-book and paperback.

Welcome to Boomerang, the hottest recent startup in the trendiest city: Los Angeles, CA. Why? Because the site offers no-strings, no-fuss relationships for those on the rebound and those who crave connection—without all the baggage of long-term promises.

But that start-up buzz is fading as Boomerang struggles to grow. The solution? Find two brilliant interns and give them a crack at launching the site into the stratosphere.

Enter Mia Galliano and Ethan Vance. These young strangers—Mia an aspiring filmmaker, and Ethan at the end of a collegiate sports career—are both bright and motivated. And for very different reasons, they're both hungry and up for the challenge.

But things go wrong from day one. For one thing, the night before their stint at Boomerang begins, Ethan and Mia meet at a bar and fall into bed together. What exactly happened between them? Good question. They're both hazy on the details. But they do know how awkward it is when they end up sharing a post hookup taxi . . . to the same place: Boomerang headquarters.

There they find they're competing for just one job—at a company with a strict no-dating policy. But their connection is as powerful as their ambition. Will they manage to keep their eyes on the future and their hands off each other?
